

SAP® SUCCESSFACTORS® Employee Central Payroll

WHY EMPLOYEE CENTRAL PAYROLL?

Are you currently using SAP SuccessFactors Employee Central (EC) but still replicating back to an on-premise payroll solution or a third-party provider? Employee Central Payroll (ECP) is exclusively offered to those clients that are currently running or considering moving to SAP SuccessFactors EC. Because ECP is fully integrated with the entire SAP SuccessFactors Human Capital Management (HCM) suite, the integrations between EC and ECP are fully automated, creating end-to-end processes for all your employee-related tasks.

SAP SuccessFactors ECP is a combination of proven technologies, latest innovations, and service delivery in a solution that represents the next generation of global payroll process automation. With SAP SuccessFactors ECP, you automate and accelerate processing, reduce risk, and simplify payroll management.

GP Strategies® has a proven track record of implementing and supporting EC and ECP, providing clients the following capabilities and benefits:

- Real-time payroll monitoring
- Global payroll - functionality for 40+ countries
- Cost savings
- Full integrations across SuccessFactors HCM suite
- Continued enhancements and updates

Implementation Services

GP Strategies has a dedicated team with extensive experience implementing and supporting the entire SAP SuccessFactors HCM suite. Our team will help you with the following:

- Gathering requirements
- Implementation and configuration
- Data migration
- External integrations, if necessary
- Post-implementation and go-live support
