

... Coaching Leaders During Times of Uncertainty

During times of change, many leaders will face some of their biggest leadership challenges.

From making tough choices and rapid decisions, to holding difficult conversations, our coaching service will support and help you lead confidently through these uncertain times.

Supporting you through **uncertainty**

If you're a business leader looking for rapid, confidential support to respond to the challenges you're currently facing, our Coaching Leaders During Times of Uncertainty program is available immediately and completely tailored to your situation and needs.

3 hours | One-to-One | Confidential | Virtual Coaching | Within 48 hours

Coaching Leaders During Times of Uncertainty program can **support many scenarios**:

- Leading teams and individuals remotely when everyone (including yourself) is working from home. Being aware of connecting on a personal as well as a technological level, showing emotional and context sensitivity to others' situations
- Managing your well-being, resilience, and productivity while also supporting others who are facing a range of professional and personal challenges
- Responding to the needs of the current market in line with your organization's purpose and values
- Anticipating and planning for the future market needs and opportunities as these become clearer; networking across internal and external ecosystems to connect, learn, and innovate
- Learning and growing as leaders from this experience – which for many will be the biggest leadership challenge so far in their career
- Managing the dilemma between showing up authentically with vulnerability as a leader for your people, while also giving a strong message of purpose and conviction

Speed Connecting
