

KRONOS® SERVICES

For Human Capital Management Technologies

GP Strategies® is a global performance improvement company helping clients streamline their Human Capital Management (HCM) processes based on Kronos.

WHY KRONOS and GP STRATEGIES?

As a trusted Kronos partner, GP Strategies offers comprehensive services for the complete Kronos suite. Our Kronos practice is full of consultants with more than 20 years of experience working with clients of all sizes and all industries.

Implementation and Upgrades

Kronos is a leader in HCM and workforce management software. GP Strategies has a dedicated team with expert knowledge on both Kronos technology and best practices regarding processes. Our team of consultants can help you with:

- Requirements gathering
- Implementation and configuration
- Custom development
- External integrations
- Hosting and environment design

Support and Training

Our Level 1 help desk and comprehensive support services cover all Kronos technical issues. You can customize your support package based solely on what you and your employees require—no more paying for support that you don't need. Our team of consultants can help you with:

- Ongoing outsourced administration
- Ad hoc administrative support
- Zendesk ticket support

Integrations

When you have multiple applications to cover all your organization's needs, it is vital that they are integrated properly to ensure that you create a seamless experience for your users. Our technical team has extensive experience integrating third-party platforms, including those with open source codes, to your core HR applications.

SAP® and KRONOS PARTNERSHIP

Workforce Management Software

To meet the rising demand in the market across SAP SuccessFactors® and Kronos customers, GP Strategies has combined their practices to create a better experience for all organizations considering implementing Kronos into an SAP SuccessFactors landscape. Kronos is a leading provider of workforce management software, and if your organization currently has SAP in place, GP Strategies can implement Kronos into your SAP environment.
